SHELTON READIES ITSELF FOR "DOG DAYS" OF AUGUST

It's August! The weather in Tuscaloosa is hot and dry. The humidity is heavy, and we're all thankful for air conditioning. Indeed the "Dog Days" of August are here. However, despite the heat Shelton State is gearing up for the Fall semester, untouched by the temperature or humidity.

Telephone registration ended this past week. Students may now register on a continuous basis beginning August 2. Open registration will continue through Friday, August 13.

Shelton State's STAR Days have been extremely successful. Wellness instructor Milady Murphy voices the opinion of many faculty. "These sessions are well organized and are accomplishing their purpose of helping students register early. You can tell there has been a great deal of planning in these STAR Days," Murphy adds. (The last STAR Day is planned for Wednesday, August 4.)

Registration for Fall semester will be August 18 - 19. Registration on August 18 will be from noon until 6 p.m. and on the 19th from 10 a.m. - 1 p.m. The first day of classes for Fall Semester is Monday, August 23. Let's all work together to have the best fall semester in Shelton State's history!

New chairs for the Technical Education instructional divisions have not yet been appointed.

THEATRE TUSCALOOSA ANNOUNCES NEW SCHEDULE FOR 1999-2000

DRACULA, a real Gothic chiller, will open the Theatre Tuscaloosa season on October 22 and continue through Halloween, October 31.

Two shows will celebrate the holiday season this year. **A BROADWAY CHRISTMAS** will play November 18 - 28, and **THE NUTCRACKER** will be presented with the Tuscaloosa Community Dancers December 2 - 12. **MAN OF LA MANCHA** will open the year 2000 beginning February 25 and continuing through March 5. **MOON OVER BUFFALO** will play May 12 - 21 in the Bean Brown Theatre. **STATE FAIR** will be the summer show for the new year, playing at the Bean-Brown Theatre July 21 - 30.

SUSAN MOHUN JOINS SHELTON STAFF

A new face at the college this summer is Susan Coker Mohun,

coordinator for athletic services at the college. As the coordinator for this new position, Mohun will be responsible for assisting the athletic director and coaches, advising student athletes, helping recruit athletes and assisting Shelton athletes who may be recruited by professional ball clubs or other colleges. She will also be responsible for fund raising for the athletic program.

Originally from Lowndesboro, Al, Susan came to Tuscaloosa with her husband, Barry, last year from Montgomery where they were both employed in education. In the past she has taught K - 3 grades. This past year she taught second grade at Holt Elementary School in Tuscaloosa County.

Susan has some new ideas she hopes to implement at the college. She would like to involve the athletes in a community service program so they can give back something to the community. She also plans on starting an intramural program at the college.
